PFF Participant Activity Reflection

PFF Participant _____ Date activity completed _____

Activity Category/Subcategory _____

Specific Activity _____

Preparing Future Faculty Activity Reflections are an opportunity to think about and reflect on the value of and learning from these experiences – the space provided should not be considered a limit. A document outlining expectations for a PFF Reflection is provided on the PFF website: http://sc.edu/cte/PreparingFutureFaculty.php.

- Summarize the activity:

- What did you observe or experience about the role of faculty through this activity?

- List two things you learned from this activity, then reflect upon and describe in a paragraph or two for each how you would suppose these would be implemented in your own faculty experience.

- Other comments or observations:
