

Joining Forces for a Brighter Tomorrow: University of South Carolina Lancaster and ed2go Empower Career Growth Through Online Professional and Continuing Education

Strategic partnership with ed2go highlights University of South Carolina Lancaster's commitment to enhancing workforce skills and career opportunities for students.

[Lancaster, SC - January 22, 2024] — University of South Carolina Lancaster is pleased to announce our partnership with [ed2go](#), part of Cengage Group. This collaboration represents a pivotal moment in our ongoing mission to empower individuals with the essential skills and knowledge for success in today's ever-changing job market.

Through this partnership, University of South Carolina Lancaster is proud to offer an expansive selection of hundreds of online non-academic credit courses designed to address the current needs of in-demand industries.

"University of South Carolina Lancaster understands the rapid evolution of the job market and the importance of adaptable learning solutions," stated Dr. Courtney Catledge, Interim Campus Dean at University of South Carolina Lancaster. "Our collaboration with ed2go allows us to provide the flexibility and agility needed for individuals to upskill effectively and seize emerging employment opportunities."

The ed2go Advantage

ed2go brings over 25 years of experience creating educational content paired with serving over 4.5 million individuals from a catalog of more than 850 online courses. ed2go is the industry leader in affordable online learning for adults. We provide the highest-quality online continuing education courses through a network of over 2,000 colleges, universities, and workforce partners located in 100+ countries.

These offerings equip students with high-demand skills and credentials spanning diverse sectors, including but not limited to medical billing and coding, human resources, programming, project management, and more. Individuals can choose between self-paced or instructor-led courses, fostering a dynamic and collaborative learning environment.
