

Affiliate Appointment Process for U.S. Citizens

Academic affiliates are individuals appointed without salary by an academic unit to voluntarily contribute to teaching, research, and scholarly initiatives. When the unit has identified an individual to collaborate on a specific project, then this individual will be onboarded as either an Academic Affiliate or a Research Affiliate.

Process For Appointing a U.S. Citizen Affiliate

- 1) Initial Approval
 - The sponsoring faculty member must seek approval from their department chair / school director.
- 2) Submission for Dean's Approval
 - The sponsoring department / school must provide the following to HRSM HR for gaining Dean's Approval
 - Affiliate's CV
 - [Affiliate Appointment Letter](#) on HRSM letterhead for Dean's signature
